

## The Free Blog Traffic Kickstart Workshop – An [IMWithLiz.com](http://IMWithLiz.com) Workshop

**How to use this traffic resource sheet:** Below you will find a list of traffic tactics that were taught in the Free Traffic Kickstart Workshop. Your job is to continually use these tactics to get traffic to your website AND to learn new ways to get traffic to your website. I suggest that you 1. Print this sheet out and keep it somewhere that you can always see it as a reminder to what to do daily to get traffic and 2. As you learn new traffic tactics add them to this sheet and print it out each time you update it!

### My Traffic Tactics:

<b>Facebook Networking –</b> Continually add people to your friends list who show an interest in your niche.	<b>Twitter Networking –</b> Find people on Twitter that show an interest in your niche and follow them.
<b>Post Directly To Your Facebook Profile –</b> Remember to NOT post links in your main post, but as the first comment.	<b>Be an active Reditt user –</b> Remember this is a very active community and you must adhere to their strict rules.
<b>Post In Facebook Groups –</b> Continually find Facebook groups related to your niche and post content that leads to your site in them.	<b>Product Content For Medium.com –</b> Create killer content and share it on Medium.com to get traffic from this huge traffic source.
<b>Post To Google + –</b> Post to your main Google + profile.	<b>Become A Guest Blogger –</b> Find blogs in your niche you can create content for in exchange for a link back to your site.
<b>Create Google + Collections –</b> Create “collections” and add your content to them.	<b>Create A “Best Of Post” –</b> Using this tactic you can get in good with leaders in your industry and even get traffic from them!
